NZCETA SALES POLICY

Please note that all CETA resources are produced using Microsoft Windows XP.

Ordering Resources from NZCETA

This catalogue details all the resources CETA has currently for sale.

All prices are GST inclusive.

Only use the correct order form. Orders will be accepted via email or post – no telephone orders are acceptable. If payment is not attached, a school order number must be given.

When ordering resources from the CETA catalogue, write the name and number of the resource in the blank space provided at the end of the order form.

Resources are delivered to purchasers either online or via USB key drive with the exception of booklets which can be ordered as hardcopy. Posters are available in hardcopy only. Preference must be indicated on the Order Form

When an order is received CETA prepares a Tax Invoice, including the CETA GST number. If payment accompanies the order, the invoice is stamped 'Paid', if not it is stamped "Payment Due within Seven Days". The invoice is sent with the order.

Members' Differential: to take advantage of the differential we offer to CETA members, it is essential that you complete the appropriate section on the order form with your membership number. To receive this differential the order must be made by a member and not on behalf of another person, or by quoting another member's number. We know that members appreciate this differential, and we are keen to continue our policy, but we must ensure that it is not abused, or it will be necessary to reconsider.

Delivery of Resources

Resources are delivered either online or via courier.

Sales and Distribution Fee: A flat fee is payable on all orders to cover processing and courier costs. Please remember to include this in the order total.

Courier Service: The courier service CETA uses requires all mail to be addressed to a street address. For this reason, it is essential to supply a school street address on all resource material orders.

Payment for Resources

Any items purchased on credit must be paid no later than the 20th of the month following purchase.

It is essential to indicate what the payment is for, example "resources", "PD", "subs – name of member". All prices include GST.

Moderation/Evaluation

All CETA resources are checked prior to being offered for sale by experienced subject experts to ensure their accuracy, appropriateness, and suitability. Please note that this is not an official NZQA moderation.

These could be used as a template for students to make their own cards from (and add to) or simply printed and folded in half.

Te Reo boards – one person describes the idea in English and students cross off if they think they have the te reo term for that idea.

English boards – one person says the te reo term and the students cross off if they think they have the English translation of that term.
